Subject: Request Letter for the Permission of Convenient Travel to Work in Bhasan Char GK-UNHCR Project Staff (Regular) for the next 6 months from July 2025 to 31st December 2025.

Ref. No: ৫১.০৪.২২০০.০১১.৩৩.০০২.২৫-২৭১;

তারিখ: ১৫/০১/২০২৫

Dear Sir,

This letter formally requests your kind support in obtaining necessary work permits and facilitating the convenient travel of our staff members engaged in the Bhasan Char project.

Since the beginning of 2020, Gonoshasthaya Kendra (GK) has been implementing comprehensive Health, Nutrition, Mental Health, Psychosocial Support (MHPSS), Physiotherapy, Emergency Patient Referral from Bhasan Char to Noakhali, and Outreach program in Bhasan Char under the guidance and approval of the Refugee Repatriation and Relief Commissioner's (RRRC) office, with funding from UNHCR, WFP, and UNICEF.

Our program operates through 1 Primary Health Care Center (PHC) in Cluster 65, and 2 Nutrition Centers (in Clusters 65 & 09), and includes Patient Referral Services between Bhasan Char and Noakhali/Chittagong.

To ensure the smooth implementation of these critical services, approximately 84 national staff members are currently deployed in Bhasan Char. All staff were appointed for a one-year term from January 1, 2025, to December 31, 2025, specifically for the Health and Nutrition project.

This letter formally requests the issuance of necessary permission for convenient travel to work in BC for the BC regular staff, specifically for the following updated staff members, for a period of the next six months, from July 2025 to December 31, 2025.
